# ALMAC TRIAL COORDINATOR™

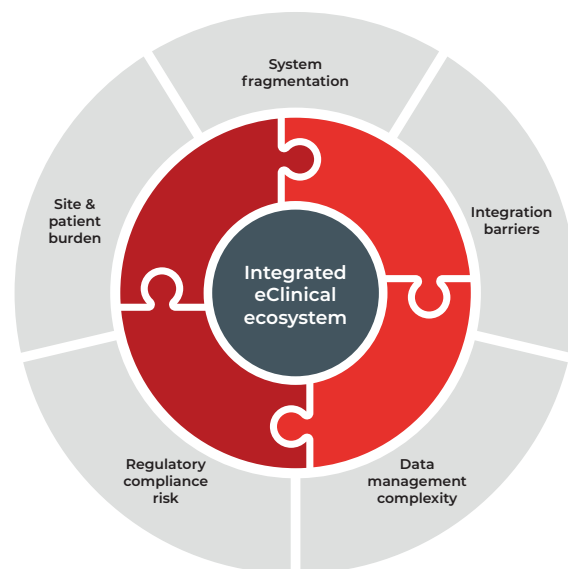

Are you still coordinating clinical trials  
the old way?

## Transforming clinical trials

Almac Trial Coordinator™ is the first solution to directly address the five biggest industry challenges:

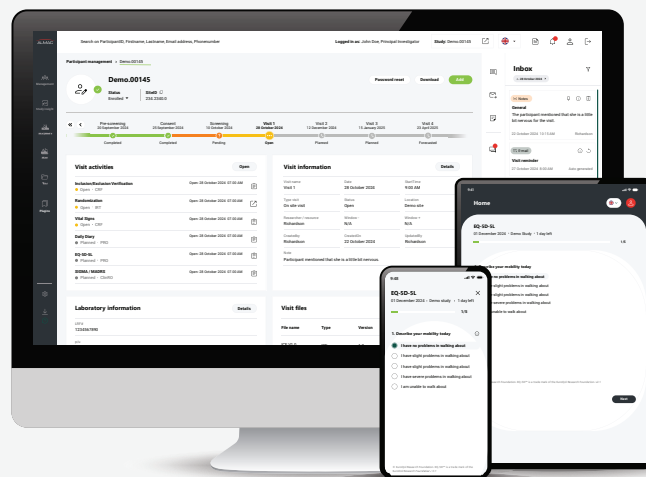

- ✓ System fragmentation
- ✓ Integration barriers
- ✓ Data complexity
- ✓ Compliance risk
- ✓ Site and participant burden

*Almac Trial Coordinator™ integrates eCOA, eConsent, Randomisation, and Clinical Trial Supply into a single, interoperable ecosystem, future-proofing your technology strategy and eliminating vendor lock-in.*

## Key Differentiators

- ✓ **Unified protocol:** All trial activities, data, and workflows are orchestrated and aligned for real-time oversight and guidance.
- ✓ **Workflow orchestration:** Vastly improved workflow and data integration compared to rigid, one-size-fits-all platforms.
- ✓ **Flexibility:** Standardises where needed but remains open and adaptable to each trial's requirements.
- ✓ **Interoperability:** Seamlessly connects with eCOA, eConsent, IRT, EDC, CTMS, and supply systems, meaning no disruption to your existing ecosystem.

## Benefits for sites, sponsors & participants

### For sites:

- ✓ Intuitive, role-specific interfaces
- ✓ Two-tap onboarding—reduces admin, increases patient care time
- ✓ Eliminates multiple logins and confusion about system steps

### For participants:

- ✓ Clear instructions and seamless engagement
- ✓ Improved retention and data quality

### For sponsors:

- ✓ Real-time visibility and oversight across all trial activities
- ✓ Streamlined data integration for faster, more informed decision-making
- ✓ Reduced compliance risk with unified, audit-ready workflows
- ✓ Flexible technology that adapts to your protocol and future needs
- ✓ Accelerated study startup and simplified global rollouts

*Almac Trial Coordinator™ delivers the promise of simplicity and efficiency for both sites and participants, through a guided and intuitive experience with a transformative impact on retention, compliance and operational efficiency.*

## Why choose Almac?

- ✓ **First to market:** Only solution to unify all critical trial technologies into one platform.
- ✓ **Trusted partner:** \$48M investment in advancing integrated eClinical technologies, expanding global support, and delivering exceptional service.
- ✓ **Future-ready:** Built for flexibility, scalability, and rapid deployment—supporting hybrid and decentralized trials, global rollouts, and evolving regulatory needs.
